## Mendota Collection

# Mendota Collection

If you're looking for timeless comfort with lasting craftsmanship, the Mendota Deep Seat Collection delivers in every detail. This collection includes a luxuriously deep-seat sofa, a cozy loveseat, and a smooth gliding swivel chair-all designed to bring elevated comfort to your outdoor space.

Each piece is built with mortise and tenon joinery-a technique used by master craftsmen for centuries. The frame also includes a half-blind dovetail for added strength. That means rock solid stability and a frame that's built to last-no shortcut, no compromises.

Whether you're hosting or just relaxing at home, the Mendota Collection is made to be lived in-and admired for years to come.
